NO. 37

NEW GAME LAW FOR FLORIDA

Published for the Information of The Star Readers.

CAN HUNT THREE MONTHS.

Must Not Kill Too Much Game—Must Not Sell or Offer for Sale.

For the information of Star readers we publish below the new game laws for Florida. The laws are doubtless violated with impunity in perhaps every county in the State, and yet no one will say they are bad laws. The following provisions are some of the laws for our government, and they—like all other laws—should either be enforced or repealed.

Game wardens should read the law and then see to it that it is enforced, and where there is no game warden the county commissioners should appoint the sheriff, or some other suitable man to look after the matter.

The laws referred to are as follows:

An act for the preservation of wild deer, birds and other game, and to prescribe the time in which they may be hunted, and to provide that all non-residents of the State shall take out a license before they shall hunt wild deer, birds, or other game, and a penalty for the violation thereof.

Be it enacted by the Legislature of the State of Florida:

Section 1. That it shall be unlawful for any person or persons to hunt, chase, kill, molest or have in his, her or their possession, any wild deer in this State except during the months of November, December and January of each year. Any person violating this section shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined for each deer killed, or in his, her or their possession, not more than one hundred dollars, or less than twenty-five dollars, or be imprisoned in the county jail not more than six months or less than three months.

Section 2. That no person, or persons, firm or corporation, shall sell, expose for sale, or have in his, her, or their possession for sale at any time any wild deer, venison or deer hide, and it shall be unlawful for any person or persons, firm or corporation, to ship or transport any deer, venison, or deer hide or hides in this State for sale at any time, and it shall be unlawful for any common carrier to transport any deer, hide or hides in this State at any time to be sold. Any person or persons, firm or corporation violating the provisions of this section shall, upon conviction thereof, be punished by a fine of not less than fifty dollars, or be imprisoned in the county jail not more than three or less than one month.

Section 3. That no person or persons shall have in his, her or their possession, or shall hunt or kill, any wild turkey, quail or partridges in any part of this State, save only from the first day of November until the first day of March of any year. No person shall kill more than four wild turkeys, or more than twenty-five quail, or no party of two or more persons shall kill more than six wild turkeys or more than fifty quail in one day. And no person or persons, firm or corporation shall sell, expose for sale, or have in his, her or their possession for sale in this State any wild turkey, quail or partridge. It shall be unlawful for any person to entrap any quail, except on his own enclosed, cultivated premises. Any person or persons, corporation, association or company violating any of the provisions of this section, shall upon conviction thereof, be punished by a fine of not less than twenty-five dollars, or be imprisoned in the county jail not exceeding sixty days or less than thirty days.

Section 4. That any person or persons, firm or corporation, who shall ship any deer, deer hide or hides, venison, wild turkey, quail or partridge beyond the limits of the county in which the same were killed, shall upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished as prescribed in section 1 of this act. Any common carrier, or any agent or employee of such common carrier, who shall permit the carriage of any such deer, deer hide or hides, venison, wild turkey, quail or partridge by any such common carrier across any county line in this State, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished as prescribed in section 1 of this act. Provided, hunters or hunting parties may take their game home with them in this State, but not for sale.

Section 5. That until January 1, 1908, it shall be unlawful for any person to kill more than five deer during any one year. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of fifty dollars for each deer over five so killed, or be imprisoned in the county jail not less than sixty days.

Section 6. That all non-residents of the State, before hunting for the purpose of killing any wild game in this State shall apply to the clerk of the circuit court of the county the said non-resident proposes to hunt in, and upon payment

of ten dollars (\$10) to the said clerk by the applicant, the clerk shall issue a permit to hunt in said county, only as provided for in this act, and the same shall not be transferable, and it shall be unlawful for any non-resident of this State without obtaining said permit, which permit shall expire on the first day of March next following the date of its issue, to hunt in this State. That all money collected as provided for in this section shall be paid over by the clerk to the county treasurer, and shall be applied to paying the fees of salary of a game warden for said county. Provided that in any county where there is no game warden, then all money collected as provided for in this section shall be paid by the clerk to the county treasurer for the use of the fine and forfeiture fund. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not more than one hundred dollars, or be imprisoned in the county jail not exceeding ninety days. Provided that the provisions of this act shall not apply to counties having special game laws.

Section 7. That any person making affidavit giving information sufficient to convict another for violating any of the provisions of this act shall receive one-half of the fine so imposed and collected, if the informant be the game warden; any other shall receive one-third of such fine.

Section 8. That all laws and parts of laws in conflict herewith are hereby repealed.

Section 9. This act shall take effect immediately upon its approval by the governor.

DON'T PUBLISH IN NEWS.

So Says the Saloon Men, and We Agree With Them.

One of the illegalities charged against the local option election on June 2, last, according to our morning contemporary, which the saloon men by their attorney, R. E. Davis, is trying to have declared null and void, is that there was a paper in the county at that time known as the "News," and that notice of the election was not published in the said "News."

The fact is there was no such paper as the "News" in the county at that time—that paper having suspended publication before the election was ordered—and the notice could not have been published in a paper not then in existence.

Such efforts on the part of those who are striving to have the election set aside, and thereby the people's expressed will disregarded, can only serve to cause honest inquirers to arrive at the conclusion that the saloon people have no grounds on which to rest a complaint, else they would not make such a charge as the above one is.

LATER: Since the above was put in type, the following appears in our contemporary this morning:

The statement published in The Daily Sun of Sunday, that one of the three papers published in Alachua county during the wet and dry election was the News, was a clerical error on the part of the city editor. The only paper published in Gainesville during that time besides The Sun was The Star, and the notice of the wet and dry election was duly published in that paper as well as The Sun. The only contest over publication is in regard to The Homet.

The quotation is nearer a correct statement but not yet correct, as no such paper as THE STAR existed in the county at the time the election was ordered.

LAFAYETTE STILL A DRY COUNTY

Effort to Transfer Her to Wet Column a Failure.

ELECTION HELD SATURDAY.

The Majority Small, But Even Mayo Lines Up On Dry Side.

LaFayette has been a dry county for years, but the saloon men, seeing themselves fast driven from the other counties of Florida, had an election ordered and tried to vote LaFayette wet again. The election was held last Saturday, and just how the saloon men succeeded—or rather how they failed—will be seen by the following letter and telegram:

MAYO, FLA., Aug. 29, 1903
DEAR BROTHER CARPENTER,

The bells in the churches and school houses are ringing tonight. The town of Mayo is safe. We defeated the whiskey men by a good safe majority. We are all jubilant and happy. The saloon men are sick; Oh, so sick. I wish you could see them, but you can better imagine how they look than I can describe them.

We praise the Lord for the victory here, and thank you for your efforts in our behalf. We believe the whiskey question here is settled for some time to come.

At this writing I have not heard from any other precinct in the county, however, the victory in Mayo practically settles the question, as the whiskey men care nothing for any other section but Mayo.

We fought every inch of ground at the polls, and when our organized plans were put in operation Saturday morning their forces weakened, and as the day wore on they got so they could not trust themselves.

Well, I know you will rejoice with us, and hoping to meet you again soon I am
Yours respectfully,
G. S. RAMSEY.

Desiring to let our readers know today the exact result of the election in LaFayette, and being unable to get a wire to Mayo, the editor wired the Suwannee Democrat, at Live Oak, and this morning received from Editor Sherwood the following telegram:

LIVE OAK, Fla., Aug. 1, 1903.
THE STAR, Gainesville, Fla.
LaFayette county dry by seventeen. This is report received here.

J. F. SHERWOOD.

WESLEY HALL SHED OVER.
Spent a Day and Two Nights in Jail—Will Be Tried Tomorrow.

Wesley Hall, colored, who (for the second time) was arrested for selling whiskey in a dry county Saturday night, was arraigned before Justice Colman yesterday morning. Attorney W. S. Broome appeared in behalf of the State, and Attorney J. A. Carlisle for the accused.

Attorney Carlisle moved the quashing of the warrant because of an alleged error in the wording of the same. The motion was overruled by the court, and the defect in paper remedied. Then Attorney Carlisle wanted to have examination for his client, but to this Attorney Broome objected—declaring that the State had a right to introduce its testimony while the witnesses were present. The court ruled in favor of Mr. Broome, and then Mr. Carlisle asked that the case be postponed until Wednesday at 9:30 a. m., in order that the accused might secure witnesses. This request was granted and Hall was bound over in the sum of \$105 to appear before Judge Colman Wednesday morning at 9:30 o'clock.

If Hall undertakes to produce witnesses who know nothing of the affair—as it is generally believed is frequently done in such cases—he will probably strike a snag, and such witnesses may get themselves into trouble, as Policeman Cromwell was thoughtful enough to make a list of the names of all persons who were present, or near enough to be able to know anything about the transaction when Hall's offense was committed, and two other responsible white men can testify to the same facts that the policeman will relate.

Notice of Teacher's Examination
Beginning on Tuesday, September 8th, 1903, at eight o'clock a. m., and continuing for four days, an examination of applicants for Teachers' Certificates will be held in Gainesville, Fla.

The examination of the white applicants will be conducted in the Academic Hall of East Florida Seminary, and that of the colored in Union Academy. An examination fee of \$1.00 will be charged.
